Additional Verse

Then the morning comes, a brand-new day, that we can share, we can share. We can go out in the sunshine. We can go down by the river. We can walk, over the hill tops, far away. We'll stay in, smuggle up, by the fire burning bright, all alone, together you and I. Here we are all alone, in the silence of our home. I will cherish every moment here with you. All alone, just with you.
