Oh Yes Just Now My Daughter

1. Oh yes just now, my beautiful girl, yes, this day, the young man you wed.
For many a year, you courted him, since high school, you've known the boy.
For you and him, good luck to both, your love so true, and so strong.
From one and all, not going away, yes to you, I sing this song.

Ch. Oh yes just now, my beautiful girl, Oh yes just now, my daughter.
To see you wed, on this joyful day, yes, to your, wonderful young man.

2. Two cats, one dog, your family now, good faith your hearts, yes, together.
Yes, children you'll have, not one but two, so they can play together.
You'll watch them grow, both one and all, to make you proud, yes, for ever.
To you and him, the future now, for now, you'll always be together.
